## Application

- 1) When Paul asked the question "Is Christ divided", what do you think he meant? Is it possible for Christ to be divided?
  - a. If no then what is he driving at?
  
- 2) How does divisiveness of this kind (following a particular leader to the exclusion of others) empty the cross of it's power?
  
- 3) When Benny was talking about leadership preferences (leaders styles etc) do you think he was saying that being a part of a church based on a sense of relational connection with the leaders is wrong or not important?
  
- 4) How have you been influenced by the therapeutic movement?
  - a. Through counseling? Books? Family?
  - b. What do you think about the things Benny was saying in this regard?
